Both parties agree that it is their mutual responsibility to confer upon their respective representatives the necessary power and authority to make proposals, consider proposals, make counter-proposals, and to seek tentative agreements. Tentative agreements shall be reduced to writing and initialed by the spokesperson of the respective teams at the meeting the tentative agreement is reached, and upon final agreement the entire contract shall be submitted to the Association for ratification and subsequently to the Board for adoption.

2.5 MEDIATION

If both parties request the assistance of a mediator, the Federal Mediation and Conciliation service shall be contacted. If FMCS is unavailable for mediation services, the IELRB shall be notified.

ARTICLE III

GRIEVANCE PROCEDURE

3.1 DEFINITIONS

- A. A grievance is a claim by the Association, employee, or group of employees involving an alleged violation of the terms of this agreement.
- B. All time limits shall consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.
- C. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted, provided the adjustment is not inconsistent with the terms of the agreement.

3.2 PROCEDURE

The parties hereto acknowledge that it is usually most desirable for an employee and the immediately involved supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

For the purposes of this article, the employees covered by this agreement shall be considered to report to the Principal of the building in which they are housed. Where an employee works in more than one building, or in a building other than an attendance center, or where the Superintendent deems it otherwise appropriate, the Superintendent shall designate an immediate supervisor who shall receive employee grievances in the first instance.

- A. The grievant or Association shall present the grievance in writing within twenty (20) days of the date the employee knew or should have reasonable known of the occurrence of the event giving rise to the grievance specifying the article and clause alleged to have been violated and stating the remedy sought to the supervisor immediately involved. The immediate supervisor shall arrange a meeting to take place within five (5) days after the receipt of the grievance. The supervisor shall provide a written answer to the grievance of the aggrieved employee within fifteen (15) days after the meeting.

- B. If the grievance is not resolved at Step A, the aggrieved or Association may refer the grievance to the Superintendent or official designee within ten (10) days after the receipt of the Step A answer. The Superintendent shall arrange for a meeting to take place within ten (10) days of his receipt of the appeal. Within fifteen (15) days of the meeting, the grievant shall be provided with the Superintendent's written response.**
- C. If the Association is not satisfied with the disposition of the grievance at Step B or the time limits expire without the issuance of the Superintendents written reply, the Association may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings.**

If a demand for arbitration is not filed within thirty (30) days of the date for the Step B answer, then the grievance shall be deemed withdrawn.

- 1. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement; his authority shall be strictly limited to deciding only the issues presented to him in writing by the School District and the Association, and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.**
- 2. If either party requests a transcript of the proceedings, that party shall bear full costs for the transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Union.**
- 3. Each party shall share equally the cost of the arbitrator and the AAA.**

- 3.3 A. Failure of an employee or Association to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievance to proceed to the next step. Time limits shall be extended by mutual consent.**

- B. Any investigation, handling or processing of any grievance by the grievant shall be conducted so that the related work activities of the grievant or the work staff are not interrupted.**
- C. Step A of the grievance procedure may be bypassed and the grievance brought directly to Step B if mutually agreed upon by the employee and the Superintendent.**
- D. If the Superintendent and Association mutually agree, a grievance may be submitted directly to arbitration.**
- E. Class grievances involving one or more employees or one or more supervisors and grievances involving an administrator above the building level may be initially filed by the Association at Step B.**
- F. The Board acknowledges the right of the employee to have a local Association representative present, if the grievant requests one, at Step 3.2B and any Association representative, if grievant requests one, present at Step 3.2C. No employee shall be required to discuss any grievance if the Association representative is not present, if one is required.**
- G. No Reprisals. No reprisals shall be taken by the Board or the administration against an employee because of his participation in a grievance.**
- H. With the Superintendents approval, the grievant may be released from his/her regular assignment without loss of pay or benefits to attend the meetings specified in 3.2A - C.**
- I. All records related to a grievance should be filed separately from the personnel files of the employees. Any material used as exhibits from the personnel file should be placed back in the personnel file after a grievance/arbitration case has been decided.**
- J. A grievance may be withdrawn at any level, prior to submission to arbitration, without establishing a precedent.**
- K. If the Superintendent or designee and Association mutually agree in writing, the expedited rules of arbitration may be used instead of the voluntary labor arbitration rules.**

ARTICLE IV

EMPLOYEE DISCIPLINE

4.1 HEARING PRIOR TO DISMISSAL OR SUSPENSION

Prior to any dismissal or suspension without pay, an employee shall be entitled to a conference with the Superintendent or his designee. At such conference, the employee shall be informed of the reasons for the contemplated discipline, and shall be given an opportunity to reply. Any conference scheduled pursuant to this section shall be convened by written notice. The employee shall be entitled to have a representative of the union present at such conference.

ARTICLE V

The Board shall deduct from each employee's paycheck the current dues of the Association provided that the Board has received the proper authorization form.

1. Pursuant to authorization, the Board shall deduct from the employees paychecks for a period of ten (10) months, beginning in September of each year.
2. The Board shall remit said deducted dues to the Association within ten (10) days following the pay period deduction.

5.2.1 Agency Shop

It is recognized that the negotiations and administration of this agreement entail expenses, which appropriately are shared by all employees who are beneficiaries of said agreement. To this end, if an employee does not join the Association such employee will:

- a) Execute an authorization for the deduction of a sum equivalent to the proportionate share of the cost of collective bargaining process and contract administration, measured by the amount of dues uniformly required by members; or
- b) Pay directly to the Association a like sum. In any event, the money shall be handled in the same manner as Section 2.1.

5.2.2 In the event such an authorization is not signed or such direct payment is not made within 30 days following the commencement of employment of the employee or the effective date of this Agreement, whichever is later, the Board shall deduct the Agency Fee in equal payments as provided for 5.2.1 and transmit such amount to the Association.

5.2.3 The Association agrees to indemnify and save the Board harmless against any liability, which may arise by reason of any action taken by the Board in complying with the provisions of Section 5.2.2.2 including reimbursement for any legal fees or expenses incurred in connection therewith.

5.2.4 The Board agrees to promptly notify the Association in writing of any claim, demand, or suit or other form of liability in regard to which it will seek to implement the provisions of section 5.2.2 above and, if the Association so requests in writing, to surrender claims, demands, suits or other forms of liability.

Any Third Party Administration fees beyond the one dollar fee (\$1.00) will be paid by the employee.

The Board shall provide the local Association with a bulletin board and the Association shall have the right to post notices of activities and matters of Association concerns on designated bulletin boards in each work site for the Association's use only. The Board shall provide a mailbox for each employee. The Association may use the employees mailbox for communications to bargaining unit members.

5.6 BOARD AGENDA
